Our past trainees say about the traineeship

„After the end of the traineeship I felt that my knowledge about companies in Estonia and abroad expanded considerably“

„I got to test my knowledge in practice“

„In addition to friendly and helpful colleagues, who were willing to answer all of my questions, I was positively surprised that I could work on the real projects“

„There were easier and tougher tasks, but all of them were challenging“

„There traineeship helped me to understand the processes behind financial calculations, such as how to find reliable data for analysis“

„The most exciting was to see the actual fast-paced life in investment banking“
